

How to Order

Use the table on the right to complete the order details below. Alternatively, send us an official purchase order. If using your own order form, please ensure that you include a contact email address and telephone number.

After placing your order, you will need to send us data to enable us to set up the login accounts for your staff and students.

Details of the data that are required and how the data should be prepared are available from:

<http://www.computinghomework.com/content/data.php>

Login accounts are normally available within 24 hours of the receipt of a data set.
